TECHNICAL DATA SHEET

Rev. 2 dated 22/09/2016

Ultrafine anti-holograms finishing rubbing compound for special high gloss and depth of colour polishing. Particularily suitable for dark colours.

Silicon oil free!

CHARACTERISTICS:

Form: Creamy liquid
Colour: Green
Base: water emulsion O/W
Density: 0,98 g/cm³

USE:

Machine (polisher) use with white or black soft Angle Foam pad.
Residues' removal and final polishing should be made using an Orange Microfiber cloth.
Eventual application of polish (Polish T98 Long Life – Polish Dark T98) would just improve paint protection.

STORAGE:

12 months in its original unopened container.
Store frost free!

PACKAGING:

Code	Colour	Packaging
40420	Green	1 litre

The effectiveness of our products is based on practical experiences and research work carried out in our laboratories; nevertheless we accept no liability for work carried out following our instructions being clear that the final result depends in all cases on a series of unforeseeable factors.
