

CAR CARE KIT – INTERIOR CLEANING

Kit for cleaning and preparing interior vehicle surfaces for treatment with protective and renewing products. It is specially formulated for car interior materials: plastics, fabrics, leather, eco-leather, carpets and rugs. Non-aggressive, delicately scented, it is effective against stains and odors. The detergent can be used concentrated or diluted, as needed. It is quick and easy to apply thanks to the spray dispenser and the reduced foam formulation.

INSTRUCTIONS FOR USE

The detergent can be used as is or diluted.

For heavily soiled surfaces or with stubborn stains:

Spray the detergent on the surface, scrubbing the dirtiest spots with a brush. Wipe the surface dry with the supplied cloth. No rinsing needed.

For routine cleaning of lightly soiled surfaces:

The detergent can be diluted up to 50% with water, preferably distilled water. Spray on the surface and wipe dry with the supplied cloth. No rinsing needed.

The effectiveness of our products is based on practical experiences and research work carried out in our laboratories; nevertheless we accept no liability for work carried out following our instructions being clear that the final result depends in all cases on a series of unforeseeable factors.
